

ProntoForms collaborates with Panasonic on Toughpad's video series

Leader in mobile forms showcases how the App works on the rugged new tablet

OTTAWA, ONTARIO--(Marketwire - August 20, 2013) - ProntoForms Corporation (TSX VENTURE:PFM), maker of ProntoForms®, the leading mobile form solution for smartphones and tablets, has released a series of client videos featuring the new Panasonic Toughpad FZ-A1 tablet. The rugged 10" Android-powered Toughpad FZ-A1, featuring a MIL-STD-810G all-weather IP65 dust- and water-resistant design, daylight-viewable screen and enhanced security features, serves as the ideal platform for mission-critical and highly mobile workers to take advantage of ProntoForms workflow solutions in their real-world working environments.

The three firms telling their stories in these compelling ProntoForms Panasonic Toughpad videos are:

- TBI Airport Management, Inc., operators of the Orlando Sanford International Airport
- Roadway Worker Training, providers of support and training services to the railroad industry
- Rex Electric & Technologies, LLC, one of Chicago's largest electrical firms serving commercial, institutional and residential customers since 1920

"These videos demonstrate that when packaged together, ProntoForms and the Panasonic Toughpad can help enterprises mobilize quickly, in virtually any working conditions, and save considerable time and costs associated with in-the-field business processes," said Alvaro Pombo, ProntoForms Founder and CEO.
