

## ProntoForms for BlackBerry 10 Smartphones Launches Worldwide

OTTAWA, ONTARIO - April 22, 2014 - ProntoForms (TSXV:PFM) announced today that its leading mobile form application is now available for BlackBerry® 10 smartphones, enabling users to collect and record information - such as signatures, images and barcode scanning - in real time from any location. As part of a launch promotion, an exclusive package will be offered on ProntoForms subscriptions and on BlackBerry 10 smartphones through AT&T.

“ProntoForms is a great mobile forms solution for BlackBerry enterprise customers. The simplicity of the ProntoForms application, combined with the usability and performance of BlackBerry 10, deliver a highly effective business solution for improving workflow productivity,” said Alvaro Pombo, ProntoForms Founder and CEO.

“ProntoForms is a great addition to the broad suite of enterprise productivity applications available for customers,” said Martyn Mallick, Vice President of Global Alliances and Ecosystems at BlackBerry. “The combination of our offerings gives businesses a productivity edge that is required in today’s fast paced and mobile business world.

To mark the launch of ProntoForms for BlackBerry 10, ProntoForms and BlackBerry are giving customers an exclusive offer through AT&T. When a customer buys five BlackBerry 10 smartphones along with annual ProntoForms from AT&T subscriptions, they get two additional BlackBerry 10 smartphones and two annual ProntoForms from AT&T subscriptions free of charge. The offer will be available until the end of June 2014.
