

# ProntoForms Introduces New Enterprise Solution

*New subscription offering designed to serve growing enterprise customer base*

OTTAWA, Ont. - June 07, 2016 - ProntoForms (TSXV: PFM), the leading provider of mobile workflow platforms for enterprises, and small to medium sized businesses, today announced the launch of ProntoForms Enterprise, a new mobile forms subscription offering that adds enterprise-class capabilities to its market-leading ProntoForms solution.

ProntoForms now offers two subscription plans; ProntoForms Pro and ProntoForms Enterprise.

**ProntoForms Pro** offers an unmatched set of features and capabilities, including an unlimited number of forms and submissions, unlimited cloud and back-office integrations, off-line use, sophisticated dispatch & workflow features, best-in-class user experience, export to PDF/Word/HTML and more - all available to iOS, Windows 10, and Android users.

**ProntoForms Enterprise** includes all ProntoForms Pro features, plus advanced enterprise capabilities, most notably: analytics and business intelligence capabilities, data management services, interactive dashboards, scheduled reports, report authoring, unlimited analytics data storage, and single sign-on.

“We have a substantial footprint of enterprise customers using our solution to improve productivity, reduce cost, and mitigate risk,” said Alvaro Pombo, CEO of ProntoForms. “Large companies across industries are looking to mobilize their existing business processes, and ProntoForms Enterprise will enable us to rapidly grow our subscriber base.”

ProntoForms is also introducing new service plans that give customers access to a range of professional services, in addition to deployment and custom implementation services, helping companies quickly configure a mobile solution without relying on internal resources.

All subscription plans and service plans are available today.
