

ProntoForms Mobile Workflow Solution is Transforming Businesses

New white papers show how iOS-based mobile solutions improve productivity, quality of service

OTTAWA, Ont. - June 15, 2016 - ProntoForms (TSXV: PFM), the leading provider of mobile workflow platforms for enterprises, and small to medium sized businesses, today announced the publication of three new white papers focusing on how companies of all sizes are transforming their business processes by deploying the ProntoForms mobile solution on iOS devices.

ProntoForms is a long-standing member of Apple's Mobility Partner Program (MPP), an initiative to help Apple expand market share for iOS devices in business. As part of this program, ProntoForms collaborates with Apple to develop white papers, webinars, and other materials that showcase the power of ProntoForms solutions running on iOS.

The three new white papers are:

- **“Achieve operational excellence with ProntoForms Analytics and iOS”**
Shows how analytics tools help companies drive improved asset utilization, increased service quality and customer satisfaction, as well as preventative maintenance programs that help companies flag and correct operational issues before they become costly and disruptive
- **“Improve field service productivity with ProntoForms and iOS”**
Illustrates how replacing outmoded paper-based processes with ProntoForms on iOS across an organization can increase the productivity of field workers by over 300%
- **“Environmental, health and safety compliance with ProntoForms and iOS”**
Demonstrates how ProntoForms running on iOS can help organizations achieve a safer, more compliant work environment, and revolutionize the workflows of health & safety professionals in multiple industries

“These white papers prove that our mobile workflow solution running on iOS has the power to transform businesses across markets in significant and meaningful ways,” said Alvaro Pombo, CEO of ProntoForms. “Frost and Sullivan has estimated the market for mobile workflow solutions to be over 42 million users in North America alone. We've only started to scratch the surface of this very large opportunity.”

The new white papers have been added to the ProntoForms resource section:
