

# ProntoForms Recognizes AAA Fleet Ops Manager with Mobile Visionary Award

*Mobile solution saves AAA Carolinas up to 750 hrs/month on road-side assistance calls*

OTTAWA, Ont. - July 12, 2016 - ProntoForms (TSXV: PFM), the leading provider of mobile workflow platforms for enterprises and small to medium sized businesses, is pleased to announce that it has recognized Jody Smith, Manager of Fleet Operations for AAA Carolinas, with its Mobile Visionary Award. AAA Carolinas adopted AT&T Mobile Forms, powered by ProntoForms, to transform its road-side assistance program from an inefficient paper-based system to a seamless cloud-based workflow.

ProntoForms launched its Mobile Visionary Award last year to recognize customers who have leveraged the ProntoForms solution to generate substantial improvements in areas such as productivity, service quality, and compliance.

AAA Carolinas, headquartered in Charlotte, NC, used AT&T Mobile Forms, powered by ProntoForms, to mobilize nearly all of its paper-based processes, from pre-trip inspections to final customer sign-off. The solution is seamlessly integrated with Box, a secure content management and collaboration platform. AAA Carolinas estimates that the mobile solution has saved their drivers at least three minutes per client on average - or up to 750 hours every month.

"I am very honored to receive the ProntoForms Mobile Visionary Award," said Smith. "AAA is committed to providing professional and efficient service to our members, and the mobile solution has helped us make significant progress towards that goal by completely revamping our business processes."

"Jody Smith is a true visionary in that he realized the productivity potential of our mobile solution very quickly and wanted to get it up and running right away," said Alvaro Pombo, CEO of ProntoForms. "The results at AAA Carolinas have inspired other AAA clubs across the United States to try our solution, looking to replicate the success of Jody Smith and his team."
